The World of Naturism Awaits

The term “naturism” means different things to different people. To some, it suggests a carefully considered way of life; a philosophy, no less. To others, naturism is nothing more complicated than a day at the nude beach.

At The Naturist Society, LLC™, we have members who are deeply committed to naturism, and view it as a defining idea of their lives. We have members who don't give the philosophical side of naturism much thought. They just know that not wearing clothes often feels better and makes more sense than wearing them.

Chances are, you fall somewhere in between. But, it doesn't really matter where you are on the naturist spectrum. If you consider yourself a naturist, TNS membership is for you.

Membership in The Naturist Society, LLC™ offers an opportunity to learn more about the fascinating world of naturism—its history and philosophy, the challenges and opportunities that lie ahead, and, not least, how to expand your naturist contacts and recreational opportunities.

For the committed naturist, there is all that and more. No matter how deep your commitment to naturism, as a TNS member you'll gain new insights into the naturist lifestyle.

Whether you view naturism as a way of life or simply as a form of recreation, you belong in TNS. Experience naturism in all its variety.

Regional Affiliates. As a TNS member you'll be welcome at over 200 local and regional naturist group activities, clubs and resorts, often at a discount. Special Interest Groups. You may participate in our TNS-affiliated special interest groups, or “SIGs.” Our SIGs add a naturist twist to a rainbow of interests and activities, from the arts to the outdoors, from scuba diving to spirituality.

Activist Opportunities. Your TNS membership helps support the Naturist Action Committee and Naturist Education Foundation. NAC and NEF are non-profit sister organizations of TNS dedicated respectively to protecting naturist rights and educating the public on naturism. TNS members may vote in the elections of the board of directors of NAC and NEF, and may be eligible to serve on those boards.
